

Trusting God, and dependent on the work of the Holy Spirit in our lives...

Our Purpose at St Martin's is to:

- bring people to faith in Jesus
- help people grow as disciples of Jesus

Our Priorities at St Martin's are to:

- teach the Bible clearly and practically
- keep prayer central to our lives
- help children and young people grow in their understanding and faith
- encourage every adult to grow spiritually
- look for ways to have an impact on our society and the world

Our Aim is to become:

- **A worshipping Church**
We pray that all our services in church will be joyful, reverent, and prayerful. We pray that all of us will live thankful and godly lives.
- **A learning Church**
We pray for everyone to be submissive to God's Word. We believe Jesus does his work in our lives as we expose our souls to his Word.
- **A faith-sharing Church**
We pray that we all have a concern to reach not-yet-Christians in our community and in the World with the Good News of Jesus.
- **A caring Church**
As those who have received God's love, we want to show that love to each other.
- **A serving Church**
We encourage one another to participate fully in the life of church by using our gifts and financial resources.
